HyperBoom Logo Medalist

Make a statement in Boom logo prints. Celebrating the Speedo brand, our sporty girls' Medalist swimsuit showcases our iconic Boom logo in a 'shattered' print design with intense shades of pink and black. Ideal for regular pool sessions, the medalist design aids shoulder movement and flexibility so young swimmers can cruise through their swim without feeling held back. The suit is also fully lined at the front for comfort and modesty during their swim. Soft and stretchy fabric make it ideal for regular swimming, while our shape-retaining Endurance10 fabric with CREORA HighClo ensures it fits like new for longer.

Features

- Medalist design - aids shoulder movement and flexibility, making this suit ideal for training
- Higher chlorine resistance than standard swimwear fabrics - fits like new for longer with CREORA® HighClo™
- Shape Retention - fabric stretches so you can enjoy your swim without feeling restricted
- Front Lined - provides added comfort and modesty on bright colours

Leg Height: Medium

NEW ECO ENDURAFLEX **SIZE**

Printed Long Sleeve Rash Top

Sun protection swimwear for swim, surf and beyond. Perfect for beach days spent in and out of the water, our Long Sleeve Rash Top is ideal for active kids and features a colourful asymmetric tiger print sleeve design. The long sleeve pull-on style offers protection from the elements while the UPF40+ fabric provides sun protection both in and out of the water. Our ECO EnduraFlex fabric offers higher chlorine resistance than standard swimwear fabrics and fits like new for longer with CREORA® HighClo™. Made from 100% recycled waste fabric, so it's better for the environment too.

Features

- Pull-on rash top - perfect for sun protection both in and out of the water
- Higher chlorine resistance than standard swimwear fabrics - fits like new for longer with CREORA® HighClo™
- Shape Retention - fabric stretches so you can enjoy your swim without feeling restricted
- Made from recycled waste fabric – yarns in the fabric are made from 100% pre-consumer waste, such as waste fabric from factories
